**RF3222 RF Receiver (304.00 MHz)**

This product has been listed in the Terminal Equipment List (an Industry Canada publication listing terminal equipment that has been certified for use in Canada) and in the Radio Equipment List (an Industry Canada publication listing radio equipment that has been registered for use in Canada).

Copy the Certification or Registration Number you are interested in (1249A-RF3222 or 12491021073A). Place your cursor on the Certification or Registration Number below and click the left mouse button to go to the Industry Canada Equipment List Search Screen. Paste the Certification or Registration number you copied into the Search Screen's Certification Number or Registration Number field, set Sort By to Certification Number or Registration Number, and click the [Search] button. When the Result Screen appears, click on the model number to view the actual listing information.
