Installation manual

# 1 Installation steps

To install the Bosch Revit 3D View Creator 2019 add-in, obey the following steps:

1. Double click the file **Bosch\_Revit\_3D\_View\_Creator\_2019.msi**.

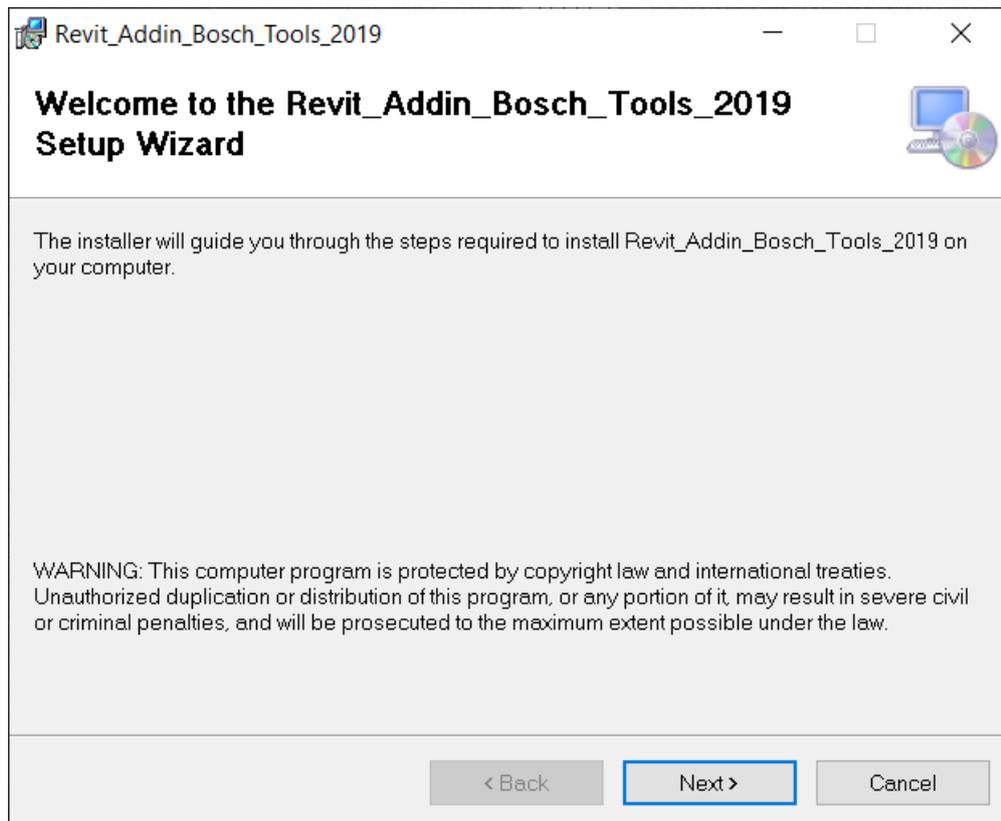

**Figure 1.1:** Example of the Bosch Revit 3D View Creator 2019 add-in installation file in the desktop

2. During the installation process, obey the instructions by clicking **Next** and retaining the default values.

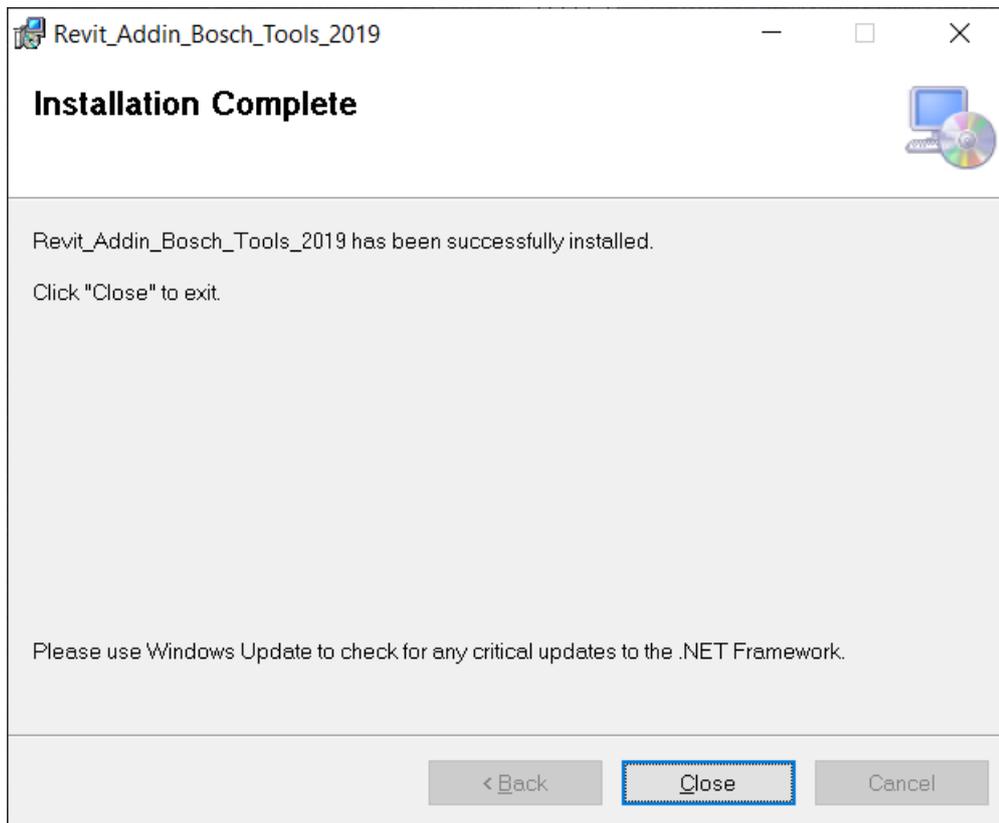

## Notice!

You may need administrative rights to proceed with the installation.

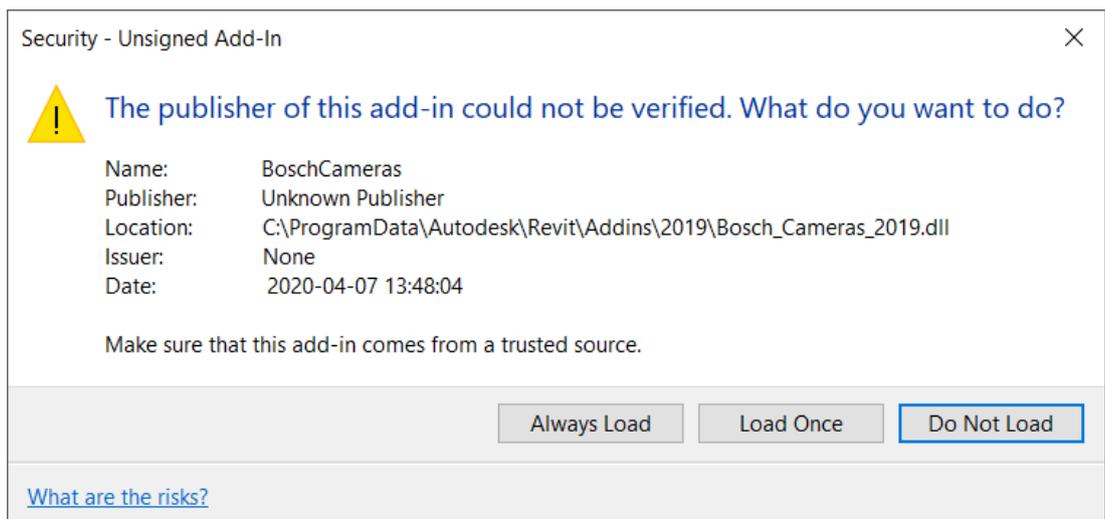

**Figure 1.2:** Installation wizard for the Bosch Revit 3D View Creator 2019 add-in

- After the installation is complete, click **Close** in the installation wizard.

**Figure 1.3:** Last screen of the installation wizard for the Bosch Revit 3D View Creator 2019 add in

- Open Revit 2019.
  - A popup window appears the first time Revit 2019 is open after installing the Bosch Revit 3D View Creator 2019 add-in. This confirms that Revit detected the add-in files.
- Click the **Always Load** button.

**Figure 1.4:** Popup that appears when opening Revit 2019 for the first time after a successful installation of the Bosch Revit 3D View Creator 2019 add-in

The add-in is now ready to use.
