

Camera Trainer Supported Cameras

December 2021

LIST OF SUPPORTED CAMERAS FOR CAMERA TRAINER

This fact sheet lists all Bosch IP cameras that support Camera Trainer with name and CTN. Camera firmware version needs to be version 7.10 or higher, Configuration Manager needs to be version 6.20 or higher. Camera Trainer is automatically enabled on all inteox cameras, but has to be enabled via license for all others.

*Due to larger image size in the panoramic cameras, Camera Trainer results may not be available every frame, causing outlines and alarms to flicker.
