LC6-S-L Ceiling Mount Satellite Speaker White

www.boschsecurity.com

BOSCH
Invented for life

- Quick-install design with captive mounting tabs to fit nearly any ceiling construction.
- Four-pin Phoenix connectors on ceiling satellite speakers support pass-thru wiring.
- UL 2043/1480 ratings allow for use in signaling applications and plenum air spaces.
- Ceiling cutout templates and all mounting accessories included.
- Available in white finish.

The LC6-S-L is a 16 ohm 2-inch ceiling mount background music speaker designed to be used in conjunction with the LC6-SW100-L subwoofer. The LC6-S-L provides for easy connections to the unit through a detachable phoenix style connector and mounts easily into a wide variety of ceiling materials with captive mounting tabs.
