

LM1-MFD-IN Metal fire dome

- ▶ Optional back box for LBD0606/10 and LCZ-UM12-IN
- ▶ Protects the rear of the ceiling loudspeaker
- ▶ Easy assembly with the loudspeaker

The metal fire dome is made from metal. It can be fitted to the LBD0606/10 & LCZ-UM12-IN ceiling loudspeakers. The fire dome can be mounted on the loudspeaker assembly using four self tapping screws supplied with the fire dome. The fire dome has knockout holes for two grommets and two cable glands (supplied along with the product). The fire dome is available in red. The fire dome has been tested to withstand high temperatures.
